First name: Michael

Last name: Kaye

Organization:

Title:

Comments:

no slash + burn

I oppose plans to burn and cut more of what little we have left of our forests.

Reforestation works, and the last thing we need is fewer trees.

You are paid to protect, not destroy, the forests, whatever your pals Trump and the Koch Brothers (Georgia Pacific) may say.

Please protect the forests; don't destroy what we have left.

Slash &#43; burn does not protect forests.
